

The monthly meeting of the Bald Eagle Watershed Association was held on September 15, 2014 at the Milesburg Borough Office. Present were: Paul Bartley, Mimi Wutz, Fred Kellerman – Milesburg Borough, Dan Woodring – Boggs Township, Ann Donovan – Centre County Conservation District, and Eli Long – Western Pennsylvania Conservancy. The meeting was called to order by Paul Bartley.

The minutes of July, 21 2014 were accepted with a motion by Fred Kellerman and a second by Mimi Wutz.

Treasurer's report with a current balance of \$1,666.12 was accepted with a motion by Mimi Wutz and a second by Fred Kellerman.

Handouts:

Old Business:

Foundation for Pennsylvania Watersheds: The GP2 permit application has been completed, signed and forwarded to the Center County Conservation District. Eli is still looking for photos for the brochure.

BEA Conservation group: Ann Donovan reported that a native plant garden is to be planted at the school.

Brochures: Mimi Wutz reported the brochures should be ready by the end of the month.

2014 Growing Greener Grant Program: Ann Donovan reported the County's Growing Greener Grant Application has been submitted.

Potential Wild Trout Stream Mitigation Project Involvement: Paul Bartley reported that he had received an email from Brian Roberts, STV Energy Services inquiring if BEWA would be interested in participating in the project. An inquiry was made as to the actual location of the project. Brian Roberts responded that the location will be west of Cedar Springs in Cedar Run which is located in Clinton County.

New Business: Paul Bartley reported that October is election of officers. Due to Buzz McCartney filling the Chairman vacancy, Vice Chairman needs to be filled and a Three Year Director elected. A third member needs to be appointed to the Outreach Committee.

Ann Donovan reported there will be a Centre County Watershed Summit held on 11/3 at the Nittany Lion Inn in State College. The following website will provide more info and registration. <http://agsci.psu.edu/aec/events/centre-county-watershed-summit>
