Treasurer's report - none.

Handouts: A listing of meeting dates for 2016 was presented and accepted with a motion by Fred Kellerman and a second by Ed Bowman.

Old Business:

Western Pennsylvania Conservancy: Canoe Access Project: Ed Bowman reported the bank planting was completed. We still need some signage.

BEA Conservation group: Nothing to report

Foundation for PA Watersheds Brochure: Eli Long forwarded the final draft for review and approval. The review resulted in some changes which will be forwarded to Eli.

Curtin Canoe Access Project: Ann Donovan and Ed Bowman are working on the grant application. A letter of commitment from BEWA will be generated and forwarded to Ann for inclusion in the application package. Paul Bartley reported the letter to the Army Corps of Engineers was sent. We are awaiting their response.

Milesburg Front Street Project: Paul Bartley reported that Eli Long through the Western Pennsylvania Conservancy has offered assistance to the Borough. With the magnitude of this repair, the Borough has decided that a funding source be found before determining the plan of attack. At this time of year, things are tabled until spring.

Unionville Borough: Mimi Wutz reported they filed an application for the DEP Environmental Education Grant. They plan to install interactive signage at the Unionville Community Park.

New Business:

None

Good of the Order:

Paul Bartley reported that 2016 dues can be paid at any time.

A motion to adjourn was made by Paul Bartley with a second by Mimi Wutz and motion carried
